# Asthma Wellness Day

Several small, stylized pink pollen grains are scattered around the title. A blue and white pollen grain is positioned above the letter 'A'. A brown beetle is crawling on the bottom left of the 'W'. A green and yellow insect is crawling on the bottom right of the 'y'.

## FREE family-friendly activities include:

- Models and displays that show how the **lungs work**.
- **Free** asthma screening.
- **Learning stations** about medications, triggers and more.
- Art and exercise activities **for kids**.

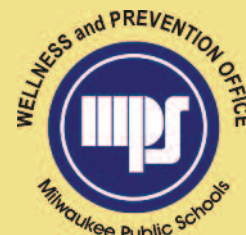

Doctors, nurses and other asthma experts will be on-hand to answer your questions.

**Free** asthma tools and services (for those with asthma) valued at approximately \$100.

**Free** spacers, peak flow meters, pillowcase covers and more while supplies last.

Continuing education credits and certificates will **not** be provided to participants.

Pre-registration is **not** required.

**10 a.m. – 1 p.m.**  
**Saturday, May 1**

Browning School  
5440 N. 64th St.
